Rental hours begin at 7:00 A.M. and are to be concluded by 10:00 P.M.

All reservations are made on a "first come, first serve" basis. A completed application and deposit are required to hold a date. Deposits are returned within 2 weeks of the conclusion of an event but will be withheld if the building

or property is left with damage or excessive debris. **Any cleaning fees will be deducted from the security deposit.** Keys, if issued, must also be returned before the security deposit is returned. Lost keys are subject to a replacement fee.

The Village reserves the right to cancel a reservation if the Village requires use of the facility, in which case the deposit and use fee will be refunded. In the event you need to cancel, please notify the office as soon as possible.

All signage to be displayed must comply with the Village's sign regulations. Please contact the office for a permit application.

Any individual or group utilizing Village facilities is expected to leave the facility in as good a condition as it was found. The individual or group also agrees to be responsible for any damage caused to the facility, building or park grounds while they are utilizing it, and will be billed at 125% of the total cost of repair. **If you or a member of your group drives a vehicle across the village grass you will lose your deposit and be liable for repair costs.** Violation of any Village facility usage regulation may prohibit the individual or group from future use of Village facilities.

No tent can be erected on Village grounds without FIRST contacting the Parks Facility Manager at 920- 421- 0273 to meet on-site and stake out the location of the tent. This is necessary to protect the sprinkler and electric system from damage. The maximum size of any tent shall not exceed the size limits indicated on the maps provided and **MUST** be placed within the marked boundary. **Any damage caused to the sprinkler or electric system will be billed at 125% of the total cost of repair.** The tented event area will be accessible from 1:00 PM Friday through 10:00 AM Monday only.

Music in the parks may not exceed decibel levels as set by the Village of Sister Bay. A decibel meter may be available to verify that levels are acceptable. If you are found in violation of the village's decibel limit, you are required to adjust sound levels or stop the music immediately. No amplified music may be played after 9:00 PM or you will forfeit your security deposit.

If any event involves the distribution of alcohol, an appropriate permit must be obtained from the Village Clerk. **ALCOHOL SALES ARE NOT PERMITTED** unless you meet the criteria outlined in Wis. Stats. 125.26(6) and 125.51(10) and complete the application process.
